Dear Ms. Brown:

This is in response to a letter dated 6 November 1992 written by William C. Walsh to the Office of General inquiring into the status of your 16 December 1991 Freedom of Information Act (FOIA) request for records relating "to Church of Scientology International, CSI, any Church of Scientology, COS, 'Scientology' or 'Dianetics'" from January 1990 to December 1991. We are responding to you rather than to Mr. Walsh as we do not have written confirmation from you that Mr. Walsh is representing you with your request.

Although we cannot provide you with a date as to when your request will be completed, please be assured that we are continuing to process your request as quickly as possible in accordance with our first-in, first-out policy which was instituted to be fair to all requesters. Also be assured that once the processing has been completed, we will provide you with the results of our search.

Meanwhile, we will appreciate your continued patience during the time that it takes to complete your request.

Sincerely,

John H. Wright
Information and Privacy Coordinator
